Amendments to the Claims

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims

- 1-29. (Canceled)
30. (Currently Amended) A method of effecting weight gain after weight loss resulting from burn-induced trauma in a patient which comprises administering to the patient suffering from weight loss resulting from burn-induced trauma an amount of oxandrolone effective to effect weight gain in the patient, wherein the weight gained is maintained at ~~five~~ eight weeks after discontinuation of oxandrolone administration.
31. (Previously Presented) A method according to claim 30 wherein the amount of oxandrolone administered is about 1-100 mg per day.
32. (Previously Presented) A method according to claim 31 wherein the amount of oxandrolone administered is about 80 mg per day.
33. (Previously Presented) A method according to claim 31 wherein the amount of oxandrolone administered is about 20 mg per day.
34. (Previously Presented) A method according to claim 31 wherein the amount of oxandrolone administered is

of Amendment

about 10 mg per day.

35. (Previously Presented) A method according to claim 31 wherein the amount of oxandrolone administered is about 2.5 mg per day.
36. (Previously Presented) A method according to claim 30 wherein the oxandrolone is administered orally.
37. (Previously Presented) A method according to claim 30 wherein the oxandrolone is administered topically.
38. (Previously Presented) A method according to claim 30 wherein the oxandrolone is administered by injection.
39. (Previously Presented) A method according to claim 30 wherein the oxandrolone is in a solid dosage form.
40. (Previously Presented) A method according to claim 30 wherein the oxandrolone is in a liquid dosage form.
41. (Previously Presented) A method according to claim 30 wherein the oxandrolone is in a sustained-release formulation.
42. (Previously Presented) A method according to claim 30 wherein the oxandrolone is 17 $\alpha$ -methyl-17 $\beta$ -hydroxy-2-oxa-5 $\alpha$ -androstan-3-one.
43. (Previously Presented) A method according to claim 30 further comprising administering a protein supplement to the patient.

of Amendment

44. (Previously Presented) A method according to claim 30 wherein the weight gained comprises lean body mass.
45. (Previously Presented) A method according to claim 30 wherein the weight gained is maintained.
46. (Previously Presented) A method according to claim 30, wherein the oxandrolone is administered orally or by injection.
47. (Previously Presented) A method according to claim 43, wherein the weight gained per unit time in the patient is double the weight gained by a patient suffering weight loss resulting from burn-induced trauma receiving the protein supplement but not the oxandrolone.
